Adam Snow first started mailing with Valpak over 4 months ago. When we asked Adam why he started and how his Valpak programs were working for him, he stated *"I took a chance on Valpak and now it's paying off. I'm receiving nice jobs from my Valpak. My Valpak Rep is Awesome and we are receiving a lot of calls. My Rep provides me with a call tracking report every month so I can see how many calls I received and who they were, we get over 13 calls each month!"* We then asked Adam how Valpak compares to other forms of advertising and if he would recommend Valpak to other business owners, he went on to say *"Valpak definitely beats Spectrum. I just renewed my Valpak agreement and would recommend it to every business owner as I know I getting a solid ROI from my Valpak!"*
