Danica Li, owner of Asahi Restaurant has been running with Valpak for over 9 months. Danica runs 20,000 homes per month, 2 markets for his restaurant in Valpak. When we asked Danica to tell us how his Valpak print & on-line programs were working he stated *"We see 3-4 coupons come in every single day. We see many New Customers and we see many on-line coupons as well."* We then asked how his overall experience with Valpak was and he went on to say *"I'm very happy with my Rep & Valpak. It works very well. Valpak works better than the Londonderry Times Newspaper and we do not want to even try Spectrum."* We then asked Danica if he would recommend Valpak to other business owners and he concluded with *"Yes, I would highly recommend Valpak to other business owners. Valpak works very well and I am very happy and I will keep on doing Valpak."*
