John uses his Valpak to help promote his business in the greater Chelmsford Markets and to generate new business. John has used other forms of advertising but strongly agrees that his Valpak Programs has outperformed anything he has done in the past. John states " I've been with Valpak for 1 1/2 Years. I get around 5 to 8 New Customers a month. The rep is professional and checks in every 2 months. He also does Social Media stuff for me by sharing my coupon offers." When asked about Valpak's award winning Digital Programs John goes on to say "I also receive digital coupons as well. I love how Valpak works and will continue with them. The more months I run the more return I get. I started off doing 10K now I'm running 20K homes!"
