Ed Briffett, owner of Briffett's Landscaping advertises to raise his business profile & awareness within in his primary markets, promote special offers and to generate leads / new business. Ed does other forms of advertising but Strongly Agrees that VALPAK outperforms them all. We asked Ed to comment about his VALPAK Direct Mail Programs, he stated *"I got 40 new customers from the Fall. 10 New customers for Spring, Also a \$2,500 landscaping job. And many more jobs coming including a large landscaping re-do (brand new lawn) in the spring!"* Ed also takes advantage of Valpak Digital Programs and would highly recommend Valpak to other business owners looking for results!
