Brite-Kleen Cleaners has been running in Valpak now for over 3 YEARS! John first started running in Valpak to Gain New Customers and to gain market exposure. When we asked John how his Valpak Programs have been working for him and Brite-Kleen Cleaners he stated *"We are receiving 65-75 coupons back every month. I'm glad we are seeing coupons. We get around the same amount each month and I track it by saving every coupon."* When we asked John how Valpak compared to other forms of advertising he has done he went on to say *"Out of all marketing things I have done so far Valpak outperforms them all. I would highly recommend Valpak to every business owner, if you want to see redemptions; this is the way to go!"*
