Rebeca Tetler, owner of Bulldog Liquidators started mailing with Valpak back in November 2017 to build her awareness in the greater Hampstead, NH and Lawrence, MA markets. Rebeca stated *"We realize it takes time for people to come in. I was not concerned about lower redemption numbers."* When we asked Rebeca how Valpak was performing for her and her business she said *"The more zones we did the better the results. We ran 30,000 homes each month for the first four months and we saw about 10 coupons come in each month."* We then asked Rebeca if her perception of Valpak & her Rep has changed since she started and if so how, she went on to say *"We are very happy with Valpak. I know a lot of people open up Valpak and look through it, I always did. Valpak outperforms the Derry Newspaper which has a limited distribution. I am happy with the products and the service and I like the fact that it goes out to a lot more homes."*
