Rob Currao, Owner of Cabinet Outlet of Nashua, NH started mailing with Valpak back in October 2016. Rob's main objective was to brand his business and to gain more customers. When we asked Rob to tell us how Valpak is working and changed his business he stated *"We are still with Valpak after one year. We feel it really helps our business. We are seeing a lot of traffic coming through our show room from our Valpak marketing. Valpak outperforms both Community Values and Spectrum Monthly!"* When we asked Rob if he would recommend Valpak to other business owners he went on to say *"If you want to see results Valpak is the way to go for sure. We generated an \$11,000.00 Sale from just one Valpak coupon!"*
