I have used Valpak for many years to promote Chucksters Family Fun Park. I have learned the value of coupons and how they mobilize people to come here; everyone is interested in getting the best value, and Valpak puts savings in the hands of our many guests, both new and repeat. Of the many means we use to distribute information and coupons, Valpak consistently remains one of the most efficient and cost-effective methods. Lisa has been a pleasure to work with and has done a great job getting us the best deal possible. I look forward to working with her and Valpak into the future.
