Bill's primary reason for Advertising in any medium is to raise his business profile / awareness, Promote Special Offers and to generate Leads. Bill has tried other forms of advertising but Strongly Agrees that Valpak outperforms them all by a wide margin. Bill states "We have seen continued growth with our Valpak Advertising. Its' not a One & Done" scenario. We have found the Valpak coupons to be a Deal Maker in getting the customer to approve the additional work on their vehicle with us!" Bill also takes full advantage of Valpak's First in Class Digital Programs. Bill plans to continue his Valpak Programs as he is very happy with the success he is having and would recommend Valpak to any business owner looking to grow their business!
