Ralene Clark, owner of Creative Cutters first started with Valpak back in July to help promote her salon and bring in new business. Ralene was very skeptical stating *"I didn't think people opened up the Valpak Envelope, Boy was I wrong!* Ralene renewed her agreement with Valpak stating *"I have been running for four months and renewed to receive more new clients. So many NEW Clients are coming in off my Valpak Advertising and they are actually coming back as return clients."* Ralene also takes advantages of Valpak's Call Tracking Program and states *"We have call tracking and I love it as we get calls every week."* When we asked Ralene for her overall evaluation of Valpak and how we performed over other type advertising she has done Ralene stated *"Valpak outperforms Spectrum Monthly and the Newspaper. I would highly recommend Valpak to all business owners if they want to see a Return on their Investment then this is the way to go!"*
