Felix, the owner of Cucina Toscana promotes his restaurant in various ways but finds that his Valpak Programs outperform every other form of advertising he has done by a wide margin. Felix states **"Over the years I kept saying no to Valpak. I'm so glad Scott Gianitsis (Valpak Marketing Consultant) convinced me to do the Valpak. We have received over 100 coupons in a month!** I will continue using Valpak because it's a great way to promote your business. When asked about Valpak's Digital Program Felix went on to say "The way the world is going is digital. Everyone's on their phones. Not only do I get the direct mail with Valpak I get the Digital as well".
