Andy Dallas, owner of Dallas Pizza has been mailing with Valpak for over 15 Years. Andy's first mailing was back in April 2003! Andy first started mailing with Valpak to promote his business and to bring in New Customers to his restaurant. When we asked Andy how successful Valpak has been for him he stated *"We see 20 Valpak Customers every week and we see New Customers every week as well. We see a lot of repeat customers, Valpak keeps them coming back."* We then asked Andy how his Valpak Digital programs were working for him and if he would recommend Valpak to other business owners and he responded by saying *"Yes, we take advantage of Valpak's on-line programs and we are very happy with the results. We see at least 5 customers per week coming in or calling off our on-line placement in Valpak. I would highly recommend Valpak as I have been doing it for 15 Years, because it WORKS!"*
