Doran Rudy, the owner of Derry Roofing has been running in the Valpak Program since April 2010 and continues to run each season to **"Make Money & Get Leads"**. When we asked Doran to tell us about his experience and success with his Valpak programs he stated *"Valpak keeps me busy and makes me money. I also take advantage of Valpak's Digital program and I love it. It is one stop for all my advertising needs. I have received over 100 calls in one season using Valpak. It is cheaper & provides a better response. I was advertising in Yelp and got zero response. I would highly recommend Valpak to other business owners, just not other roofers!"*
