Hani Noueiri & Saad Ajound, owners of Derry Rotary Auto Service have been mailing with Valpak for over 5 years with their first mailing taking place in November 2014. That started advertising with Valpak to bring in New Customers and when we asked them how Valpak has been performing they stated *"We see 6-7 New Customers every month with a total of 15 Valpak Customers per month. We see a lot of repeat customers every month from Valpak."* We then asked Hani & Saad if they take advantage of Valpak's On-Line programs and how they are performing and they went on to say *"We see online coupons every month and the Call Tracking Reports are GREAT. It helps us with tracking our service advertisements and it tracks our results."* Finally we asked how Valpak compared to other forms of advertising and if they would recommend Valpak to other business owners, they concluded by saying *"Valpak outperforms Spectrum Monthly and works well for us, we are very happy with our results and would recommend Valpak to every business owner who's looking for success with their advertising!"*
