Steve Notini, owner of Dracut Car Wash has been running with Valpak for Two (2) Years and just renewed his agreement to continue to raise his awareness, promote the car wash and to bring in more customers. When asked about Valpak Steve stated *"Valpak has always been great for us, just last month we received over 300 Coupons Back! We just renewed with Valpak again. We use to run with Effective Mailers back when they were in business and Valpak outperformed them by a wide margin, they also outperform the local newspaper."* When we asked Steve if he would recommend Valpak to other business owners he went on to say *"Yes, if you want solid numbers you have to commit to running with Valpak all the time. You will see the return on your investment."*
