Rodriques Garcia, owner of Family Pizza of Dracut, MA started mailing with Valpak over 5 Years ago with his first mailing being May 2012. Mr. Garcia started mailing with Valpak to raise his awareness in Dracut, MA and to build consistency within the Valpak Envelope. When we asked Mr. Garcia how his Valpak programs are working for him he stated *"We have seen numbers go up every year. Our Valpak Rep is very easy to work with and we have been mailing with Valpak every month for over 5 years. We get 30-40 coupons in every month!"* We then asked Mr. Garcia how Valpak stacked up to other forms of advertising he has done or is doing and if he would recommend Valpak to other business owners, he went on to say *"Valpak consistently beats Community Values and the newspaper I would high recommend Valpak to every business owner because if they want repeat business and new customers Valpak is the way to go!"*
