Piero Donati, owner of Dracut Foreign Car Service started advertising with Valpak back in December of 2017 to bring in new customers and raise his automotive business in the greater Dracut Market. We asked Piero to describe her experience with Valpak and how its work for his business, he stated **“I started with Valpak back in December and I’m getting 4-6 calls a month. I’m also receiving 6 or more coupons back every month. I thought that people in general don’t open the envelope but we are seeing that many do.”** We then asked Piero how Valpak worked compared to other forms of advertising he has done and if he would recommend Valpak to other business owners, he went on to say **“Valpak consistently beats the Lowell Sun & Community Values. Yes, I would recommend Valpak because it works and I just renewed for another 6 months!”**
