David Chandonnet, owner of Dracut Music was pleasantly surprised in how Valpak has performed for his business. David states "I started Valpak in December and was hesitant on doing it. In my first month I received 30 Valpak coupons. I was very excited and pleased with the mailing. We offered a 1 month 4 lesson's for \$15 with a FREE Registration. I have done other forms of advertising and Valpak outperformed them all by a long shot. We are excited to see more results. I would recommend Valpak to grow your business. WE also like the digital part of Valpak!"
