Don's primary reason for Advertising in any medium is to raise his business profile / awareness, Promote Special Offers and to generate Leads. Don has tried other forms of advertising but Strongly Agrees that Valpak outperforms them all by a wide margin. Don states "Valpak Generates New Customers. 10 New Customers each week from 2 Locations!" Don also takes full advantage of Valpak's First in Class Digital Programs. Don plans to continue his Valpak Programs as he is very happy with the success he is having and would recommend Valpak to any business owner looking to grow their business!
