Dennis Garneau, owner of Earth Creations started with Valpak over 3 years ago because *"It's the best way to advertise your business."* We asked Dennis to describe his experience with Valpak, *"I do 50,000 - 60,000 homes each month. The more homes I do the more returns I get. I also take advantage of Valpak's digital and reporting programs which I love. Scott is great to work with, very easy. I will run with Valpak every year."* When we asked Dennis how Valpak compared to other forms of advertising he has done or is doing and if he would recommend Valpak to other business owners he stated *"I've received over 300 phone calls and generated over \$100,000.00 in revenue from my Valpak advertising. This by far beats Community Values and the Newspaper. I would highly recommend Valpak to other Home Improvement businesses, if you want your phone to ring you need to do more than 3 areas."*
