Rene Garcia, owner of El Rodeo Mexican Restaurant has been mailing with Valpak for over 2 years. Rene's first Valpak mailing took place back in November 2015. We asked Rene why he chose Valpak to advertise his business with and how it was performing for his business, Rene stated *"Because I found out that Valpak was the best and I have gotten a GREAT Response over the last 3 years."* We then asked if his perception of Valpak has changed over the years and if he would recommend us to other business owners, Rene went on to say *"My perception of Valpak has changed very much over the years as we consistently see a great response. I would highly recommend Valpak to every business owner because it's so very successful and working with my Valpak Rep, Kris Wirth has had a positive influence on our business as he is very responsive."*
