Nancy Kesley, owner of Fancy Nancys' advertises her salon to offer specials, promote her salon and to bring in new clients. Nancy has been running with Valpak since February of 2012 and is very happy with her success. When asked to comment about her Valpak programs Nancy stated *"I've been with Valpak over 4 years, every single month and I LOVE IT! We also take advantage of Valpak's Digital Programs and we receive a lot of digital prints. I like receiving the digital reports once a month showing our success in the program. My sales rep, Scott Gianitsis is very helpful. Valpak outperforms every other marketing company we use and I would highly recommend Valpak to other business owners as it's a great way to grow your business and keep your name out there."*
