Barbara Adduai, owner of FANTASTIC SAM'S out of Tyngsboro, MA has been running with Valpak for over 12 YEARS! She originally started with her Valpak programs to bring in new customers. We asked Barbara to commit on her Print & Digital Programs that she has been running with Valpak for the last 12 Years and she stated *"We see about 10-15 coupons per location (30-45) every month. We get new customers every month and we get our regular customers coming back. The Digital reports help show me monthly activity which is very helpful and Valpak of NH's office staff, Krystin & Christina are tremendous. I am very happy with our success in Valpak and we are also very happy with the customer support office & my rep Jim Hilker. I would certainly recommend Valpak to every business owner because it WORKS!"*
