Melanie McDowell, owner of Fit Figures has been running with Valpak since September 2017. She started to get new clients & build her awareness in the Salem, NH marketplace. When we asked Melanie to tell us how her Valpak programs were working she stated *"We saw more response over time & I'm happier with the design format my Valpak Rep suggested. We also take advantage of Valpak's On-Line / Digital services. We have seen about 12+ Sign Ups so far from Valpak. It clearly works! The longer you run in Valpak the better the results become."* We then asked Melanie how Valpak compared to other forms of advertising she has done and she went on to say *"Valpak is a lot cheaper than using direct mail and Valpak even outperforms the direct mail postcards we have used. I would highly recommend Valpak to every business owner because I always get new customers from it and it more than pays for itself."*
