Brian Gilmartin has been running his business with Valpak for over 10 Years. He first started and continues to advertise to keep busy and fill in slower times. We asked Brian how his Valpak Marketing Programs are working for him and he stated *"We get larger jobs from Valpak Service Leads than any other marketing company we have used. Valpak keeps us working and keeps repeat customers coming back."* We then asked Brian how Valpak compares to other forms of advertising and if he would recommend Valpak to other business owners, he went on to say *"Valpak is the only advertising we do now. It is easy to use and my rep does everything for me. I would highly recommend Valpak to every business owner because IT WORKS!"*
