Giovanni's of Nashua has been running with Valpak for over a year. Janette started with Valpak to have customers come in and get great service and to gain new and keep existing customers. When we asked Janette how her Valpak programs were working for her business she stated *"We LOVE IT! We receive many coupons. Our sales rep Scott takes very good care of us & is very helpful. We also love our Digital programs & the reports they provide us!"* When we asked Janette to compare Valpak to similar marketing ventures she said *"We used to use Spectrum but Valpak outperformed them by a far. We would recommend Valpak to every business owner as customers are always researching for some sort of coupons. We run every month and have made a name for ourselves in Valpak. We will continue to use Valpak!"*
