Giovanni's of Manchester advertises to raise their business profile & awareness within their primary markets and to generate new business. They do other forms of direct mail advertising but strongly agree that VALPAK outperforms them all on a monthly basis. We asked Keila to comment on her VALPAK Direct Mail Programs. *"Valpak consistently outperforms Spectrum Monthly. We see about 20-30 per week, over 100 per month. We get more coupons back than Spectrum. Happy with Jim's service, we see a lot of new customers!"* Giovanni's also takes advantage of Valpak's digital programs and when asked to comment Keila went on to say *"We see coupons shown on phone all the time."* Keila and Giovanni's are very happy with Valpak and would highly recommend Valpak to any business owner serious about growing sales and bringing in new customers.
