Cliff Beau-Ramunto, owner of Granfanally's Pizza has been running with Valpak for over 2 years, starting in September of 2015. Cliff started up with Valpak to increase awareness and to bring in new customers to his restaurant. When we asked Cliff to tell us how his Valpak programs were working for him and his restaurant he stated *"Valpak is Fantastic, we get 30 coupons per week, this results in NEW Customers who become regulars. At first we were not convinced but after a while the results began building and every month we got more and more coupons back!"* We then asked Cliff how Valpak compared to other forms of advertising he is doing or has done and if he would recommend Valpak to other business owners, he went on to say *"Valpak outperforms Grocery Store (Shaws) Register Tape Coupons. We would definitely recommend Valpak to every business owner because it always works."*
