Rich Gamble, owner of Greenleaf's Tree Service started advertising with Valpak back in June of 2014 to bring in new customers and build his awareness in the greater Tyngsboro, MA Market. We asked Rich to describe his experience with Valpak and how it has worked for his business, he stated *"We have been running with Valpak for several years and come back every year because we know we are going to get a solid return on our investment, and we always do. We get about 15 calls a month and our average sale with Valpak is \$1,000 - \$2,000."* We then asked Rich how Valpak worked compared to other forms of advertising he has done and if he would recommend Valpak to other business owners, he went on to say *"I did Effective Mailers a few years ago and they went out of business. With Valpak I get so many more calls than I ever got with Effective Mailers. I would highly recommend Valpak if you want calls / new & repeat customers, believe me when I tell you that Valpak is the right choice for your business!"*
