Jim Ward, owner of J&B Butcher out of Hampstead, NH started advertising with Valpak over 10 YEARS ago to increase awareness of his Shop. When we asked Jim how Valpak was working for him he stated *"We see about 15-20 coupons per week back in redemptions. We see NEW Customers every week of which many become regular customers!"* Jim also takes advantage of Valpak's Digital Programs and when asked to comment he stated *"Digital reports help us to see that our investment is working. Valpak ALWAYS works for us and I'm very happy with my Rep Jim Hilker, our results in both print & digital and would highly recommend Valpak to every business owner because IT WORKS!"*
