Adam has been with Valpak since April 2018 and runs every year for his landscaping business. We asked Adam how his Valpak programs are working for his business and he told us *"We started Valpak back in April 2018 to bring in new customers. Valpak has been GREAT, especially this year where Valpak brought in over \$9,000 in new business in the spring of 2020 alone!"* We then asked Adam how Valpak compares to other forms of advertising he may be doing and if he would recommend Valpak to other business owners. He went on to say *"We used Community Values but the success we have with Valpak is far superior, so we no longer use them. I am a small business and ever since I have been with Valpak my business has grown every year. I would highly recommend Valpak as just one or two jobs a month pays for the whole Valpak campaign for that year."*
