Ken Koehler, owner of K'sone's Thai Dining and Lounge first started with Valpak in February 2019 to advertise his restaurant and bring in NEW Patrons while earning a solid ROI. We ask Ken to tell us how his Valpak programs (print & digital) were working for him and his restaurant, he stated *"We signed up for 6 Months and received 30-40 Valpak Coupons back every month. I just renewed with Valpak for another year!"* We then asked Ken who Valpak compares to other forms of advertising he has done and he went on to say *"I tried Community Values and received nothing from them. I am very, very happy with Valpak as we loved seeing all the new customers using their Valpak Direct Mail Coupons along with the Digital Coupons. Valpak is the Way to GO!"*
