Larry Laing, owner of L. Laing Mobile Detailing Services is extremely happy with his Valpak Marketing Program. Larry has been with Valpak since March of 2016 and would highly recommend Valpak to every business owner looking to grow sales & their bottom line. Larry has stated that Valpak has outperformed any other type of advertising he has ever done in the past, further stating *"My phone does not stop ringing! We have several new customers coming in in just the first week that Valpak hits homes!"*
