Just a quick note to say, "Thank You Valpak!"

Every month, Mathnasium welcomes new students (at least 1 or 2) to our Math Learning Center because of Valpak. It has been more successful in bringing in new customers than any other local print source that we've used. ***Now that I've seen the results I needed to see, I've decided to double the amount of homes I've been advertising to. Valpak has been more successful than any other local print source that we have used!***

Thank you.
