Nate Anderson, owner of Nate's Pro Landscaping has been mailing with Valpak for over 2 years. Nate had just started his landscaping business and was looking for new customers. When we asked Nate to comment on the success he was having with Valpak he stated *"I love Valpak. We received over \$20,000 in revenue in one month with Valpak. We will continue with Valpak. It has doubled from last year!"* We then asked Nate how Valpak compares to other advertising and if he could recommend Valpak to other business owners and he went on to say *"Valpak outperforms the Newspaper and Spectrum monthly. If you want your phone to ring and your business to grow Valpak is the place to go to advertise your business. I love the service Scott provides, the results and the reporting they offer; Valpak is hands down the way to go!"*
