Mike Zheng, owner of Osaka Restaurant advertises to raise his business profile & awareness within in his primary markets and to bring in new customers. Mike does other forms of advertising such as the newspaper but agrees that VALPAK outperforms them all. We asked Mike to comment about his VALPAK Direct Mail Programs. *"Happy with all services, we see new customers and repeat customers too. We see about 20 coupons per week, which is a good return on investment."* Jim also takes advantage of Valpak's Digital programs and when asked to comment he stated *"We see a few customers using smart phones for coupon."*
