Hi Valpak!

I wanted to say thank you for all the years you've been helping my pet supply store! It's been a long time, and Valpak consistently proves to be a necessary component to my business. *Every month, we see at least a handful of NEW faces come in to Pet Connection to shop for food or specialty items for their pets. We know when they hand us the ad that it was Valpak that invited them to come in.*

Thanks again. We make a great team!
