Jason Back, owner of Pro-Vision Automotive out of Hudson, NH first started mailing with Valpak over 7 Years ago (September 2010). Jason started with Valpak because he wanted to raise the awareness of his business in the greater Hudson market and he also wanted to bring in New Clients. When we asked Jason to tell us about his success with Valpak any why he has been with us for over 7 Years he stated *"We see about 30 Coupons Every Month from our Valpak marketing programs, well worth the money spent. People love getting Valpak coupons. They also go online to print out coupons or show them to us on their phones."* We then asked Jason how Valpak compares to other forms of advertising he has done or is doing and if he would recommend Valpak to other business owners, he went on to say *"Valpak outperforms the Litchfield/Hudson Journal and the Nashua Telegraph, who reads the newspapers anyways? I would highly recommend Valpak to every business owner because it ALWAYS WORKS!"*
