On Back

Peter Gallos, manager of Prosciutto's Pizza started mailing with Valpak back in May 2017. Peter wanted to try a different type of advertising vehicle. When we asked Peter how his Valpak programs, both print & digital are performing he stated *"We see 10 coupons back per week/ Valpak works and its worth renewing!"* When we asked Peter if he likes Valpak's tracking capabilities and whether he would recommend Valpak to other business owners he went on to say *"It's a GREAT way to track results, we see many new customers. I would definitely recommend Valpak to other business owners because we know it pays for itself."*
