Dave Raisanen, owner of Raisanen Landscaping started mailing with Valpak back April 2015. Dave's marketing objective was to keep his name out in the marketplace and to generate new leads/sales. We asked Dave how his Valpak programs were working for him and he said *"I run in Valpak every year and we receive 2-4 jobs each time we hit the homes. We LOVE our Valpak. I used to run with Spectrum Monthly, but Valpak was and is far more successful for my business."* We then asked Dave how it was dealing with Valpak and if he would recommend Valpak to other business owners, he went on to say *"Customer Service is very important to me, Valpak and my marketing rep provide me with the best customer service! And YES, I would highly recommend Valpak to every business owner for if you want an exceptionally good ROI then Valpak is the way to go!"*
