Ray's primary reason for advertising is to raise Ray's Automotive Service Center's awareness in the market place as well as to promote his offers & specials to bring in new business and to keep his regular clients. Ray does other forms of advertising but Strongly Agrees that Valpak outperforms them. When asked about his Valpak Promotions Ray stated "I've been with Valpak for over 2 years and receive 5-7 New Customers a month. I also take full advantage of Valpak's Digital Programs and see new customers using our Valpak Digital Coupon. I see my name and coupon coming up on the first page of Google because of my Valpak Digital Promotions! I would recommend Valpak & Scott as we not only receive a great response from our Valpak promotions but I also receive excellent customer service from Scott Gianitsis."
