Mike first started advertising with Valpak to bring in new customers and to keep his current ones coming back to Regis Landscaping. We asked Mike how his Valpak programs were performing for him and he told us *"We get 20-30 Valpak Coupons back every month. We run from April to October with Spring, Hardscapes and Fall Clean Ups."* We then asked Mike how Valpak stood against other forms of advertising he has done and if would recommend Valpak to other businesses, Mike went on to say *"We did Spectrum Monthly for a long time but found that Valpak gave us a much better Return on our Investment. Just last month we got over \$7,000 in business. I Valpak rep is knows my account and is on top of everything. I also love the Call Tracking that I get from Valpak. I would highly recommend Valpak because it works, it's just that simple!"*
