Sophia's Greek Pantry has been running with Valpak since March 2017. They started with Valpak to get more customers and to promote / advertise their store. When we asked Valerie, the owner of Sophia's to comment on the success she is having with Valpak she stated *"We LOVE Valpak. We have received over 40 coupons and have gained many New Customers. Valpak has really helped our business. Scott, our sales rep, is great as he gives us ideas and we feel he really loves his job and wants us to succeed in our business."* When we asked Valerie how Valpak compares to similar marketing programs she has done in the past she went on to say *"We have tried other methods such as newspaper and Community Values but Valpak has outperformed everything we have tried by far margin. I would highly recommend Valpak to every business owner."*
