Ron Non, owner of Super Wok out of Londonderry, NH has been running with Valpak for over 3 years with his first Valpak Mailing taking place in October 2014. Mr. Non first started running with Valpak to bring in new customers. When we asked Mr. Non how his Valpak Marketing Programs were working for him and his restaurant he stated *"Valpak brings in many New Customers. We see 80-100 coupons come back every month. We do very well with our Take-Out business because of Valpak. My sales rep Jim gives me great service. I wouldn't keep renewing if I was not happy with Valpak."* When then asked Mr. Non how Valpak performed compared to other forms of advertising he was doing and if he would recommend Valpak to other business owners, he went on to say *"We get more results with Valpak than we do with Spectrum Monthly. I would highly recommend Valpak to every business owner as I very happy with the results!"*
