Ron Feng's primary reason for advertising Super Wok is to raise his restaurants profile and awareness within the marketplace. Ron also is looking to promote his Offers & Specials. Ron does other forms of advertising such as Direct Mail but Strongly Agrees that Valpak outperforms them all. Ron states "We are getting 10-15 Valpak coupons per week. I am very satisfied with my Valpak. Jim Hilker from Valpak has been pursuing me for over 4 years and I'm so glad that I finally did it as we see a lot of new customers too!"
