Ben Workinger, owner of The Lobster Boat in Litchfield & Exeter, NH first started mailing with Valpak over 12 Years ago with his first mailing taking place back in October 2009. Ben started with Valpak to get New Customers and to turn those customers into regulars. When we asked Ben to tell us about his success with Valpak he stated *"We run two locations in Valpak and back in **January we received over 127 coupons back and in February we saw over 164 coupons. Back in September 208 came back, October 130, November 150 and in December 153.** Valpak always produces fantastic results every single month!"* When then Ben how he likes his on-line programs and if he would recommend Valpak to other business owners, he went on to say *"We love Valpak's Digital/ On-Line products and particular like the tracking capabilities and reports that I receive showing us how we are doing every month. Valpak always outperforms Spectrum Monthly we ever we run both programs, we run Valpak every month and have for 12+ Years. I would highly recommend Valpak to every business owner because it works and works very well."*
