Paint Pottery + Fuse Glass + Create In Clay • Ladies Night Tuesday & Thursday 6pm-9pm

Debbi Grimord, owner of Time To Clay started mailing with Valpak over three years ago, February 2014, to raise awareness in the market place and to build an On-Line presence. When we asked Debbi how her Valpak Print & Digital Programs are working for her and how it has changed her view of Valpak, she stated *"At first I was thinking This Isn't going to work, Boy was I wrong. We received 33 in January, 32 in February, 41 in March and 26 in April in Digital Printouts alone! We even come up 4th on Google and I get a nice report every month on all the printouts. Valpak consistently outperforms Monthly Spectrum, Newspaper & Community Values."* When we asked Debbi if she would recommend Valpak to other business owners she went on to say *"For sure, if you want great direct mail & online presence then Valpak is the way to go. The longer I've been with Valpak the better my online presence become!"*
