Ed has been with Valpak 2018 and runs every year for his landscaping business. We asked Ed how his Valpak programs are working for his business and he told us *"I've been with Valpak since April of 2018 and every year we run Valpak to gain new and repeat customers for our Landscaping business. Every year we get more and more customers from Valpak. Just last month we got a \$5,000 job from just one Valpak coupon!"* We then asked Ed how Valpak compares to other forms of advertising he may be doing and if he would recommend Valpak to other business owners. He went on to say *"We used Community Values and Spectrum Monthly but the success we have with Valpak is far superior. Every year I know my Valpak Rep will call me up in the spring and set me up for the season. If you own a business, then call Valpak to advertise as you will be successful, and they will even set you up with call tracking and review the reports with you."*
