Heather Nicholson, owner of VIP Nail Studio first started mailing with Valpak over 3 years ago, February 2014. Heather chose Valpak when she first opened her business to promote the Nail Salon and to bring in new business. We asked Heather how her Valpak Maligns have been working and she stated *“Valpak has been so great, we love it. Customers use it every month. I was skeptical at first but now I’m a huge believer in Valpak as we get back 40-60 coupons back every single month!”* We then asked Heather how Valpak compared to other forms of advertising she has done and she went on to say *“Valpak Spectrum Monthly and everything else we have tried. I would highly recommend Valpak to every business owner as we always have a positive Return on our Investment every single month!”*
