Heather Nicholson, owner of VIP Nail Studio has been a Valpak customer for over a year and loves both her Valpak Print and Digital Programs. Heather states "I've been with Valpak for over 1 year and LOVE IT. We received over 75 Digital Prints in August 2014 and 36 digital Prints in September alone. We have used other forms of advertising but strongly agree that Valpak outperforms them all. We see new customers all the time!"
